## MESSAGE

Graduation day is that one day of our life which remains special in our hearts forever. It's the result of all the glorious dreaming of our ambitious educational life.

Students of medical field will always be the learner first. All the students have spent long period of their life to understand the complexity of human body, spent sleepless nights and most have experienced the bond of human relationship with patients and their care takers at the hospitals. This is the young brigade who has chosen a path of medical science and serving humanity throughout their lives. I must congratulate all the students for their choices, intensions and hard work.

Good to know that **B. J. Medical College, Ahmedabad** has organized **Graduation Ceremony** for the **Batch of 2012** on **24<sup>th</sup> March 2018**. I extend my best wishes to graduated students, to all the professors and staff members on this occasion. I am sure the passing out student will remember their duty towards creating a healthy society. Many congratulation on this big day. Have constant strive to do more good for the society as a part of your noble profession.
